WICKED WEATHER

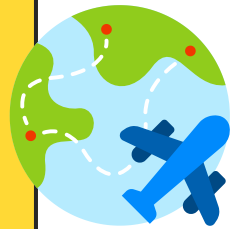

Do you dare to explore the wildest weather our world has to offer? Prepare to brainstorm and build solutions when facing the challenges of severe weather and natural disasters!

**7/15-
7/18**

AROUND THE WORLD

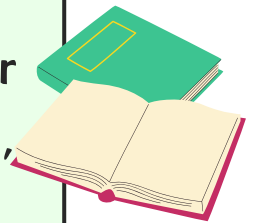

Get your passports ready to travel around the world through experiments. Hop through time as we explore the past and present, from ancient architecture to Grand Prix racing, our itinerary is ready for curious travelers!

**7/22-
7/25**

MEDIA MAYHEM

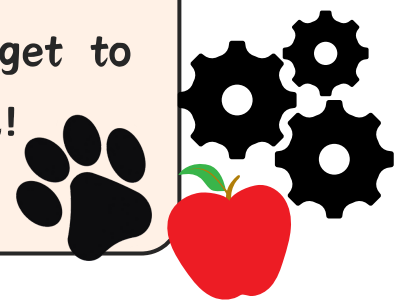

What's better than reading and watching your favorite books, shows, and video games? Why, bringing them to life of course!

**7/29-
8/1**

SAVVY SCIENTISTS

Try on the safety goggles of three new scientists as you explore the area of study and get to question an actual scientist from each area!

THE OUTDOOR THEATER AWAITS

Explore acting outdoors in our marvelous woods as we foster creativity and teamwork among campers. Whether you are interested in performing in front of the crowd as a cast member or running the show backstage as crew, we can't wait to meet you!

Welcoming 3rd-8th grade campers!

2 WEEKS & A FINAL PERFORMANCE

Work together as cast and crew over the 8 days to put together a show to be performed the evening of the last day of each session (7/18 & 8/1). Please ensure that your actor will be present all days of camp and performance for the best experience!

Different show each session
